ABOUT SRMIST

SRM Institute of Science and Technology (Formerly known as SRM University) is one of the top ranking Institution and most premier engineering destinations in India. It is established in 1985 by the Founder Chancellor Dr. T. R. Paarivendhar. SRM Institute of Science and Technology (SRMIST) is functioning in four campuses located at Kattankulathur, Vadapalani and Ramapuram in Tamilnadu and a fourth campus at Modi Nagar, Ghaziabad with over 50,000 students and 3,020 faculty members, offering wide range of undergraduate, postgraduate and doctoral programs in Engineering, Management, Medicine & Health Sciences, Law and Science & Humanities. The Institution has moved up through international alliances and collaborative initiatives to achieve global excellence. Over 150 students sponsored to 35 foreign Universities like MIT, Carnegie Mellon, UC Davis, Warwick and Western Australia. Now the Institute enjoys an unsurpassed reputation in academic and corporate circles being the preferred manpower source for vision to be recognized as a world - class learning institution. SRM Institute of Science and Technology has been categorized as grade 'A' Institution by Ministry of Human Resource Development (MHRD); Government of India. SRMIST is accredited by NAAC with 'A++' Grade in the year 2018.

ABOUT BRAKE CONFERENCE LTD

Brake Conference Ltd is an events company headquartered in London, UK. Brake Conference Ltd works with local partners to organize the railway brake and friction conference series in different parts of the world. The inaugural conference took place at the University of Derby, UK, and was chaired by Hans Paukert from the UIC. More recently the China Academy of Railway Sciences hosted this event last year. Next year the conference is scheduled to take place in Sydney and will be hosted by CQ University, Australia. This is a unique opportunity for you to meet the global railway brake and friction community in India.
